

TRENDING SKILLS EMPLOYERS WANT IN 2025

Join this in-person session and discover the trending skills Canadian Employers are looking for on your resume in 2025. Job markets are constantly evolving, especially because of the pandemic and inflation. As a result, employers are now looking for talent who have specific skill sets that will move their business forward.

For more information, or to register, please contact, Tasneem Khan at 519-999-3545 or tkhan@ncce1.org.
